Classrooms

A classroom is a School room where innovation, creation and implementation, occurs in teaching learning process to make it more effective and interesting through use of technologies and practical activities.

Library

Information is at the heart of meaningful learning in schools. To promote a spirit of continuous learning amongst students, Horizon assures peaceful and enriching hours in the library. Students are encouraged to cultivate good reading habits and use the library as an important centre for learning. Books, journals and magazines from across the world are made available to the students. Each student can choose his own corner and explore history, literature or science, undisturbed. Personal supervision is provided to every child to improve his reading ability.

I.T. Lab

Use of Technology is the 21st century need. Accordingly in Horizon Academy we provide well equipped computer lab to our students to explore their knowledge.

Multipurpose Hall

The multipurpose Hall serves many purposes and is one of our children's favourite retreats. It gives them the space to showcase their range of talents on various festivals and competitions. A number of entertaining and engaging workshops are conducted here as well. It is a spacious hall with well-equipped sound systems and sufficient seating space.

Sports Facilities

Just like a diet of healthy nutrients is needed for nourishing the body, playing sports holds a great significant in enhancing our lives, especially for growing children. As a student, one has to face many challenges and playing sports helps them cope with the exam pressure and prepare them for further challenges by providing them with physical and mental strength, playing sports teaches skills such as accuratibility, leadership and learning to

work with a sense of responsibility and confidence. By this motive Horizon Academy provide all sports facility to our students like basket ball, volley ball, kho-kho, kabbadi, foot ball, 200 m running track etc them.

Science Lab

Horizon Academy Ozar provide well equipped Science Lab make the learning process thorough practical's, by doing practical's. Practical's having positive and direct impact on learning since long. When students has been doing practical's they have a positive impact on their learning.

Audio Visual Room

The audio-visual room is a place where the students of all classes experience learning in an effective way. The audio-visual method appeals most to the senses. It leaves a deeper impact as it involves greater attention in the act of learning and helps the child to retain the concepts taught through these aids.

Transport facility

Providing safe, clean, comfortable and timely transport facility to students is our responsibility. Our network of buses is also equipped with female attendants in every bus for girl's safety.

Safety and Surveillance – 24 X 7

Our students' safety is our top priority. Round the clock CCTV surveillance, secure fencing, trained guards stationed at gates, strict check kept on visitors entering school premises are steps through which we ensure our students' and staff's safety.
