"Fireless cooking competition"

Today our school arranged "Fireless cooking competition" for Primary Section students actively participated with their parents in the competition. Parents and their ward enjoy the competition by making delicious and tasty dishes like Chat dish, Fruit Salad, Vegetables Salad, Pani pori, sandwich, Milk shake, Desert etc.,

It is the Immunity boosting dishes made by Parent with their ward.

Fireless cooking not only teaches cooking to children but also teaches some valuable life skills. This activity encourages children to help their mom in the kitchen.
